# REMEMBERING THE UNBORN

---

A PLACE OF SOLACE AND PEACE FOR  
INDIVIDUALS, FAMILIES AND FRIENDS

[SACRAMENTOMEMORIALGARDEN.ORG](http://SACRAMENTOMEMORIALGARDEN.ORG)

# *It is important to grieve loss, including the unborn.*

The mission of the Sacramento Memorial Garden is to glorify the Lord through a peaceful garden to honor and memorialize those lost through abortion, miscarriage, and stillbirth.

The garden provides a physical place for remembrance, offering a means of outreach to the general community by listing local, state-wide, and national professional counseling, support groups, and after abortion care information on our website.
